

## Tema 2 – E-Commerce

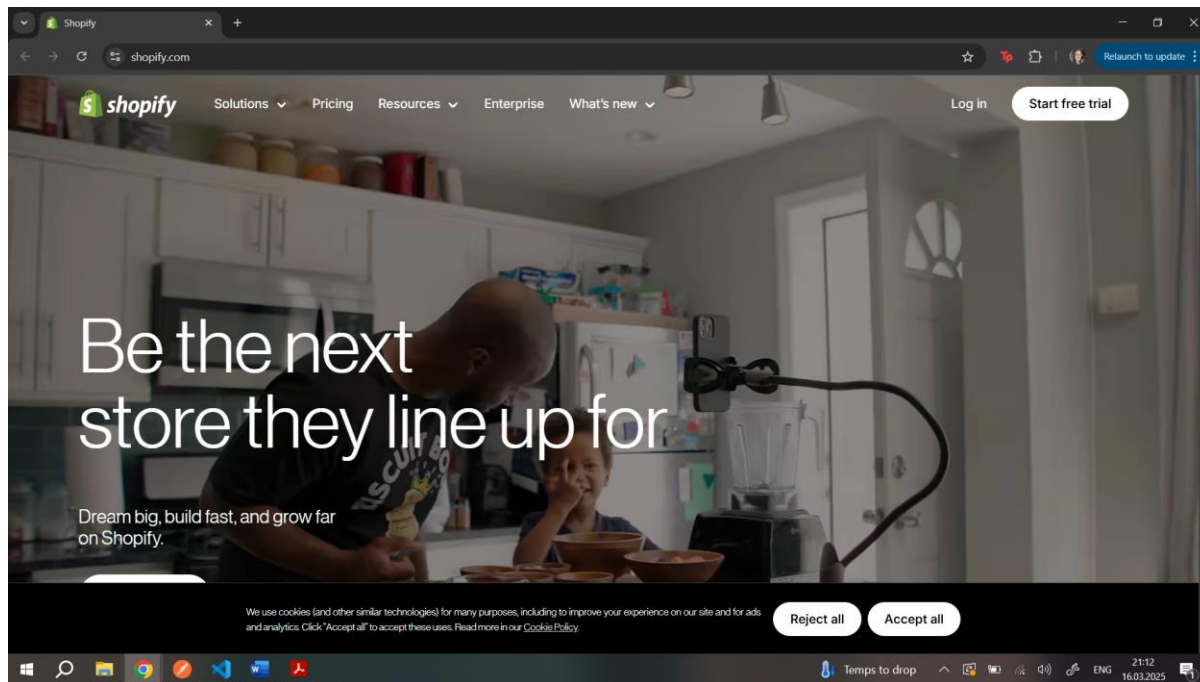

### Manual de instalare Shopify

#### 1. Cerinte hardware si software

Tehnologia aleasa este Shopify, drept urmare cerintele hardware nu impun limitari specifice, doar un calculator/laptop pentru a fi accesata platforma online Shopify. Aceasta poate fi accesata din lista de browsere suportate: Chrome, Mozilla.

#### 2. Pasi:

- a. Se acceseaza platforma <https://www.shopify.com/> si apoi alegem Start free trial.

- b. Alegem Sign up with email si completam campurile de baza

### Where would you like to sell?

We'll make sure you're set up to sell in these places

|                                                                                 |                          |                                                                        |                          |
|---------------------------------------------------------------------------------|--------------------------|------------------------------------------------------------------------|--------------------------|
| <b>An online store</b><br>Create a fully customizable website                   | <input type="checkbox"/> | <b>In person at a retail store</b><br>Brick-and-mortar stores          | <input type="checkbox"/> |
| <b>In person at events</b><br>Markets, fairs, and pop-ups                       | <input type="checkbox"/> | <b>An existing website or blog</b><br>Add a Buy Button to your website | <input type="checkbox"/> |
| <b>Social media</b><br>Reach customers on Facebook, Instagram, TikTok, and more | <input type="checkbox"/> | <b>Online marketplaces</b><br>List products on Etsy, Amazon, and more  | <input type="checkbox"/> |

[I don't want help setting up](#)

The image displays two screenshots of the Shopify onboarding process, specifically the steps where a user identifies their selling method and their product type.

**First Screenshot: Which best describes you?**

This step helps suggest the right onboarding. It offers two main options:

- ☐ I'm not selling yet
- ☐ I'm already selling online or in person

Navigation: < Back, Next >

**Second Screenshot: What do you plan to sell?**

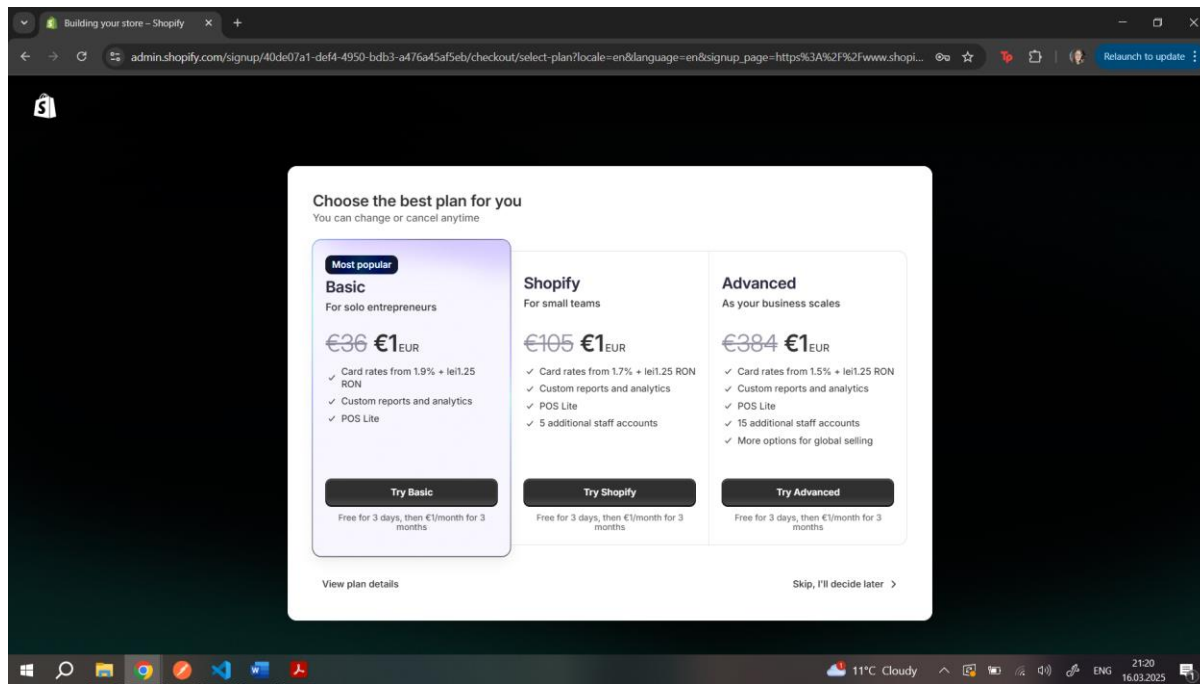

We'll get you the right features and tools. This step offers six options for what to sell:

- ☐ Products I buy or make myself  
Shipped by me
- ☐ Digital products  
Music, digital art, NFTs
- ☐ Dropshipping products  
Sourced and shipped by a third party
- ☐ Services  
Coaching, housekeeping, consulting
- ☐ Print-on-demand products  
My designs, printed and shipped by a third party
- ☐ I'll decide later
